**Games are played according to the rules of the casino, with the following amendments:**

- the total prize pool, the prize structure and the levels will be shown on a screen before and during the tournament
  - the buy-in and the fee can not be refunded once the tournament has started, and if a guest has not arrived by the end of the first break, the chips of the guest will be removed.
  - all guests will receive "5,000 kr." in special tournament chips, which can not be used on other gaming tables, and can not be exchanged for cash.
- if a guest is not present at the beginning of a round, the cards will be given to the table stake of the guest stake, but will be removed again once the dealer has dealt the last two hole cards.
- if a guest is not present when a blind/ante must be placed, the dealer will remove the appropriate amount from the table stake of the guest and place it in the pot, and let the game commence.
- if two or more guests leave in the same round, the guest who started the hand with the biggest table stake, will be first in line to proceed and to win prize money.
- no guest must pass tournament chips to other guests and all chips must be visibly displayed at all times.
- any violation of the rules of the casino, may result in result in disqualification without any refund being given.
